

22 Garrick Terrace Herston

Invitation

**The unveiling of 'Our Heroes' wall
By Keith Payne VC**

Thursday 2nd November at 10.30am

Since our doors opened 11 years ago we have provided accommodation to more than 34,000 guests. Most of our families have come from regional Queensland and while their sick child is being treated at nearby medical facilities, they have called this Ronald McDonald House, their home.

We receive support from individuals, businesses and community groups throughout Queensland and are seeking a better way to show our guests and visitors who these amazing people are. We felt that simply a name or a company logo hanging on the wall did not do justice to the efforts put in.

To us, these people are 'Our Heroes' and this is our way of acknowledging the selfless and tireless efforts of those in the community who support us.

We have a designated wall, signed, '*Our Heroes*'. On this wall we will display captioned photographs of the people and events held, so that our families and visitors can see where support for the House comes from.

We are honored to have Keith Payne VC unveiling our wall.

Please RSVP by email or phone by 31/10/06
